## FIELD INSTALLATION

MINISTRATION OF BOVINE  
TUBERCULOSIS

ominion; Department of Agricul-  
Authorized to Co-operate With  
and Towns to Ensure Sani-

Condition in Dairies.

State regulations are provided in order to authorize the department of agriculture to co-operate with the dairies and towns for the eradication of bovine tuberculosis. The aid of the department of agriculture is to be given to towns of a population of not less than 5,000 which have made provision for the licensing of dairies in which their milk supplies are obtained. These licenses to be issued to the dairy conform to a stand-

years ago the test of each cow daily the sale within the city of milk or cream shall be tested in all herds show a clean health from sanitary inspection. Each city or town shall appoint an inspector or inspectors to see the cows are kept clean and protected and cared for.

In these requirements have been

out by any city or town and  
licatation, made for the co-opera-  
the veterinary director-general,  
ter shall send veterinary in-  
s to inspect the dairy cows and  
subjecting them to the tubercu-  
as well as making physical  
ation in each case. Cows in-  
with open tuberculosis and  
are distributing the germs of  
ease through the milk or other-  
shall be slaughtered at an abat-  
der inspection or in the pres-  
of the inspector who shall give

ns as to the disposition of the  
s. Reactors to the test are to  
arated from non-reactors to the  
d shall be immediately slaugh-  
after they have been prepared  
e block by drying off and feed-  
they may be retained in the  
and no milk or cream from the  
old until it has been pastuer-

Under these regulations, compensation to be equal to one appraised value in the case of tuberculosis, one-third the appraised value if the cow is destroyed as a factor at the request of the owner to be also given the value from the carcass provided the value of salvage and compensation exceed the appraised value of the surplus goes to the receiver.

regulations provide for periods whenever deemed necessary veterinary director-general. Now are to be added to a herd they have passed the test of partment. When the successive fail to deter any reactor in a t shall be deemed healthy and tertiary inspector is authorized a certificate to that effect upon request.

## Local and General

J. A. Osborn has returned from a visit to Calgary.

The duck and geese season will open on Tuesday next.

Some fine fish have been taken from the river east of Blairmore this week.

James Finlay, manager of the Maple Leaf Culleries, was in town on Thursday.

Constable Painter, of the Bellevue detachment R.N.W.M.P., was in town on Thursday.

TO LET—Two Dwellings, one in Blairmore with 6 rooms; one in Frank with 4 rooms apply to J. H. Farmer.

J. A. Dennis, of the C. P. R. department of natural resources, passed west in his private car last week end.

Inspector Junget of Pincher Creek, accompanied by Corporal Meade, of Bellevue, were in Blairmore on Monday.

Mrs. M. J. Dennis, of Stillwater, Minnesota, arrived Thursday morning on an extended visit to her sons, Frank and Ernest.

Walter Howe, Blairmore's contribution to the second contingent of volunteers for service at the front, left Blairmore with 99 others on Thursday afternoon.

A Frank woman was killed on the chin by a mule, causing her to bite off the end of her tongue. Her husband now refuses to accept \$1000 for that mule.

Mrs. B. Stevens and daughter, of Calgary, accompanied by Thomas and Miss H. Madden, of Lundbreck, arrived to town from Lundbreck on Thursday.

Rev. Edmund Barnes, David Simpson and Frank Bushfield, of the Alberta Methodist conference, have volunteered for service as chaplains at the front.

We are asked to state for the benefit of those who have not yet read the Herald that the quiet tended R. M. Brisco recently was not under the auspices of the Blairmore Town Council.

A large number of citizens gathered at the station on Monday night to bid farewell to Blairmore's first accepted volunteer for the front, Walter Howe, who left for Lundbreck to enlist.

The dance given in the opera house on Wednesday night by the young ladies and gentlemen of Blairmore was largely attended and much enjoyed. The Columbia orchestra furnished excellent music.

Suggestions have been made that the quadrennial Methodist conference for the Dominion, to be held this year at Ottawa, be indefinitely postponed, owing to the war. A number of Alberta delegates will be affected if this course is adopted.

Since our last week's issue we are informed that the local Masons are responsible for the big "send-off" tendered a recent escapee from Blairmore's mercantile arena. Some individuals declare they would like to again have such an opportunity. There's a vast difference between "personal acquaintance" and "experience."

A complaint has been made by a party who attended the dance at the opera house this week of the loss of a pair of gloves. The public should in the future exercise extra precaution to avoid such an action, and it is to be hoped that the party guilty of such a mean offence will be brought to justice and made an example to others who are tempted to be light fingered.

Report has reached town of the marriage of ex-constable J. B. Brown of the Blairmore police force, to Miss Edna Latta, of Cowley, which event took place at Spokane on Saturday last. We understand that the young couple will take up residence in Victoria, B. C., where Mr. Brown has accepted a position as police officer.

## Local and General

J. H. Redford came in from Cranbrook on Thursday.

A number of men are at present employed at the local brewery.

Miss L. M. Perkins returned from Lethbridge on Monday.

Messrs. F. W. Doubt and W. J. Bartlett spent Sunday at Mountain Hill.

Hector MacDonald and Miss Blair, of Hillcrest, have lately joined forces.

Mr. Myers, of the Lethbridge Brewing & Malting Co., was in town on Monday.

Lethbridge labor unions collected \$209.80 in aid of the Hillcrest Relief Fund.

Messrs. Sparks, Murphy, Sinclair and Dault visited Beaver Mines on Tuesday.

Repairs have been made to the road east and west of Blairmore by the automobile club.

Mrs. Joe. McDougall and children returned Monday from a few days' visit to Mached.

George Huston, of Mached, visited Mr. and Mrs. W. S. Hobrick during the week.

M. M. Fulton arrived from Cowley on Monday night, to resume her duties at the local school.

C. F. Sedgewick acted to town from South Fork on Wednesday and returned that evening.

The Edmonton Women's Press Club has asked for the suspension of liquor licenses during the war.

School re-opened on Tuesday with five teachers in charge and over 230 children in attendance.

F. H. Manning, of Lethbridge, was in town this week on a visit, in the guest of W. S. and Mrs. Hobrick.

Blairmore is to have another grocery store, which will likely be opened up for business within a few days.

Miss M. E. Travers, of Calgary, arrived on Tuesday to take a position as stenographer in the office of I. H. Putnam.

Miss I. Murdoch, of the teaching staff, returned Monday from Pincher Creek, where she spent the summer holidays.

Miss K. B. Darrach, of the local teaching staff, returned Monday from Edmonton, where she spent the summer holidays.

The Lethbridge Herald says that Mr. Kaler has moved to Medicine Hat. He will no doubt be seen there, for a while at least.

J. W. Greenham, went to Calgary on Thursday to confer with Colonel Cruikshank re mobilization of volunteers and reservists.

In the naval battle between Austrian and French warships off Budua, three Austrian warships are said to have been destroyed.

Judging by present shipments being made at the Rocky Mountain Cement Co., their local plant may soon resume operations.

A gusher of water from one of the Lundbreck oil wells must have reached the levee, for rain precipitation ensued for a period of twenty-three hours afterwards.

J. A. Tully, manager of the Oddfellows Relief Association, came to town on Monday. He returned east to Pincher Creek on Thursday morning.

J. W. Verge, principal of the local school, returned to town on Monday night, from Edmonton, where he had been in attendance at the summer school.

Sunday fishermen were tendered a rude setback by the rainstorm of Sunday last. As for rain, a large number of local sports secured heavy catches.

So far only one store in Blairmore is fortified. The Blairmore Hardware Store. The main gun is a seven-inch dum-dum rapid fire, mounted on a vehicle with store-pipe tires.

## Cowley Happenings

M. C. Robinson was a visitor in The Pass on Thursday.

Messrs. Robbison and Freeman were visitors in Mrs. W. C. Robinson's at the ranch.

Cowley possesses a butcher shop again, with Paul Reno in charge, this time to A. H. Knight's old stand.

Harry Hanna with a party of golfers left town on Friday for a fishing and camping trip to the Gap. Mrs. Hall, from The Pass, accompanied them.

Mrs. E. Powerman received a slight shock from the heavy lightning on Friday morning about four o'clock. It seemed to enter the window close to where she lay sleeping.

A. Huston came through from the Milk River country with a bunch of horses. He has resided in the Milk River district for some years, but the drought has driven him to the land of milk and honey.

And still they come and pass on their way, looking for work, a night's lodging, a meal, a home or anything to keep the body together, leaving the land of drought to seek a place of grass and water.

Mrs. Huston, with her covered wagon, loaded with what you will see the anxious face of a woman peering out for what's ahead, and perhaps several small children. Their constant cry is "Seeking a home, where there is food for my horses, as well as my family."

The local grain men say that the grain, such as wheat, barley and oats, is a fair crop. Through Cowley district a great deal of the cutting is done, but the rains of the past two weeks has prevented the grain from ripening. They claim such delay will be all for the better, for it will help to fill and make the straw plumper.

And weather is also doing damage to the small potatoes. Thrashers are getting ready for operations.

The Cowley ladies institute met at their new home on Cameron Street on Saturday for the first time. A good turnout of members were present and are all pleased and justly proud of their work so far.

Rev. H. J. Shires left this week for his new station at Coleman.

Loce, Weir, of Frank, was a visitor to the Gilmore home on Sunday.

Another drilling outfit is expected from Mached soon to drill for water on the Garney property.

Mr. and Mrs. Bird wish to express their very sincere thanks to those who were so very kind to them during their recent bereavement.

Miss Nellie Hodgson returned this week from Calgary, where she has been spending a part of her vacation, and will remain with her parents at Mountain Hill until the first of September when she returns to Cowley bridge to take up her duties as teacher.

The Cowley ladies institute met at their new home on Cameron Street on Saturday for the first time. A good turnout of members were present and are all pleased and justly proud of their work so far.

## Bellevue Happenings

Say Bill? How about another little spot?

Mrs. Eckstrom, of Lethbridge, was a visitor this week.

Mrs. L. Cook was a Blairmore visitor on Friday last.

W. H. Chappell and wife spent Sunday at Crow's Nest.

Donald McMillan was at Blairmore on Friday on business.

Philip Hart was in the camp this week on business.

Rev. F. T. and Mrs. Cook were visiting at Lundbreck this week.

W. Chappell spent a few days fishing at South Fork this week.

Mr. Sinclair's carpenters are busy erecting the new Chinese restaurant.

Thomas Quigg, of Fernie, has moved to Bellevue and is now at work.

John Roberts has bought a house from Tony Sons, and has moved into it.

John Roberts is occupying the house lately vacated by James Cousens.

Mr. McLeary, of Lethbridge, is visiting camp, the guest of Mrs. Campbell.

Mr. Ford, the Dominion Express inspector, was in camp this week on business.

Miss M. Turner was down from Blairmore this week, the guest of Mr. John Steel.

E. R. MacKenzie is soliciting subscriptions and advertising for "The Bellevue Times."

Mrs. P. Chanley was visiting at Hillcrest for the past few days, prior to leaving for Fernie.

Miss Orr has arrived from Nova Scotia to take a position on the teaching staff of the school.

Miss Olive Goodwin, who has been visiting her parents in Nova Scotia, returned home on Sunday.

Arthur Kelly, the school principal, returned to camp on Sunday and resumed his duties this week.

Miss M. Bradley, of the teaching staff, has returned from a visit to her home in Fredericton, N. B.

All records were broken recently by the local mine when one day's output amounted to over 3000 tons of coal.

Joe Fitzpatrick has moved his family from Frank, and is occupying one of the Rudd houses at Maple Leaf.

Mr. and Mrs. Munro and daughter, from Medicine Hat, are visiting in camp, the guests of Dr. and Mrs. Macdonald.

Quite a crowd of Bellevue sports were at Frank on Saturday to take in the football game between Hillcrest and Frank.

James Morral was operated on at the hospital this week for an abscess in the throat. He is reported doing well.

The stark visited bush-town this week, leaving a daughter to Mr. and Mrs. Steve Bell. Mother and daughter are doing well.

A meeting of Oddfellows and others interested in the formation of a lodge of Oddfellows in Bellevue will be held on Sunday afternoon.

School re-opened on Monday with four teachers in charge. A great many children had to be turned away through lack of accommodation.

George Grafton, a second class recruit of the 47th Lancers, received a hurt, up call last Thursday and left for the old land on Friday morning.

Billy Kynaston had a narrow escape from death on Friday night while at work at No. 2 mine as mortimer. In some unaccountable manner he slipped and fell under the noise of a falling rock, which was sustained a broken collarbone and other injuries to his body. He is doing well under his mother's care at home.

## Local and General

It is reported that pure gas'ers have been struck at Dugman No. 2.

Rev. Mr. Freeman resigned to Hillcrest on Saturday after a few days' visit to Rev. J. P. Hunter.

Rev. C. H. Haines, representing the Lord's Day Alliance, will deliver a address at the Central Baptist church tonight, at 7 o'clock.

L. W. Kirby and L. C. Gale went to Calgary yesterday to purchase stock for the new grocery store, which is to be opened about September the 1st.

We were in error last week in stating that J. Handley was running a grocery store in the interests of F. Sinclair's creditors. Mr. Handley has acquired the business and hopes to build up a substantial trade in the grocery and fruit line.

Hunters are reminded that the game preserve this year has been extended to the North. Kootenay Park, and as this takes in what has for years been the favorite hunting ground for big game by sportsmen, the issue of license is instructed especially to explain this fact. The carrying of an unneeded gun on this preserve is also prohibited.

It is proposed to institute a lodge of the Independent Order of Oddfellows at Hillcrest on October the 1st, on which occasion it is expected that the grand lodge officers as well as representatives from other lodges in the province will be present.

The institutional ceremonies will be conducted by Blairmore lodge, and the baby lodge is likely to be started with a membership of about fifty.

Among the Blairmore victors this week were J. R. Holstrom, Winnipeg; W. A. Grant, A. Walker, D. A. Brown, J. H. Redford, Calgary; G. C. Read, H. Meister, R. E. Hutchinson, Portland, Ore.; A. Tompkins, Vancouver; G. R. Davis, Maple; J. A. Tully, D. R. O'Neill, Miss M. E. Travers, Calgary; F. H. Jackson, Toronto; C. F. Sedgewick, Lundbreck; Mrs. Reith, school teacher, Minedale; Miss Watson, Pincher Creek.

Lethbridge Herald—"A pretty wedding was solemnized in Trinity church, Hardville, at 11 o'clock on Saturday morning, when Miss Zeusi Kiraly became the bride of Mr. John Deak, of Hillcrest. The ceremony was performed by Rev. A. C. Bryson of St. Andrew's church, Lethbridge, in the presence of a large number of friends and relatives of the bride and groom. The whole party repaired to the residence of Mr. Louis Goucy, the bride's brother-in-law, where a happy social time was enjoyed."

Messrs. G. C. Read, H. Meister and R. E. Hutchinson, representing Portland, Oregon, capital, are in town this week looking over the Blairmore brewery with a view to purchasing same. The above-named gentlemen are representing considerable capital and have figured prominently in different industrial enterprises in the Oregon state. Should they succeed in acquiring the local brewery there is every reason to believe that the plant will be operated on a large and paying scale.

## Granted Thirty Days Reprieve

Alfano Skoloff, Max Manelik and Joe Smith, the three Klaww murderers, who occupy the death chamber at the Macleod penitentiary, have been granted thirty days' reprieve on the jury's recommendation to mercy for Manelik, who was unarmed at the time of the shooting. It also hopes that the sentence of Smith will be commuted to life imprisonment, but all steps of clemency in the case of Skoloff has vanished, as evidence showed that he was the man who fired the fatal shot.
